INTRODUCTION ABOUT OUR COMPANY

OUR VISION

In pursuit of our Industrial vision, we aim to build an unrivaled engineering and construction company known for its innovation, technological prowess, and highly qualified personnel. Our ultimate goal is to create a society in which our projects act as catalysts, empowering communities, increasing accessibility, and contributing to the long-term improvement of the planet. Our unwavering commitment is to create world-class solutions that enable us to outperform our competitors. This is accomplished by adopting cutting-edge technology and constantly expanding our expertise and proficiency.

Our vision is focused on the present, reflecting our dedication to taking on our customers' environmental concerns, cultivating a culture of success for our valued employee-owners, and supporting a sustainable environment through innovative technologies and management practices. We establish an environment of reciprocal growth and prosperity by encouraging a culture of success and rewarding employee-owners when both clients and the firm thrive.

We have rigorously renewed and reinforced our Vision, Values, and Commitments to chart a decisive course toward the future. Our corporate culture is firmly rooted in a set of core values, a mission, and a vision, which guide our efforts to make a meaningful difference. Our vision is one of unequalled excellence, imagining a world in which our pioneering efforts translate into concrete benefits for society, promoting growth and long-term progress.

OUR MISSION

New Pooja Instruments, a well-known engineering and Automation service provider firm since 1989, takes immense satisfaction in providing outstanding services to its loyal clientele. We aim to add value to our clients by providing engineering solutions, construction services, and infrastructure management. We focus on our client's expectations, seeking to earn their confidence and establish long-term relationships while adhering to safety, ethics, and professionalism standards. As we progress, We aspire to be known as an engineering and construction company that transforms the industry, driven by a love of excellence and a relentless pursuit of client satisfaction. Our clients can count on us to provide cutting-edge technology, novel methodologies, and a personalized and fulfilling experience that represents our tagline, "Customer Devon Bhava," where every customer is handled with care and respect.

OUR SERVICES

32 YEARS OF EXCELLENCY (1989-2021)

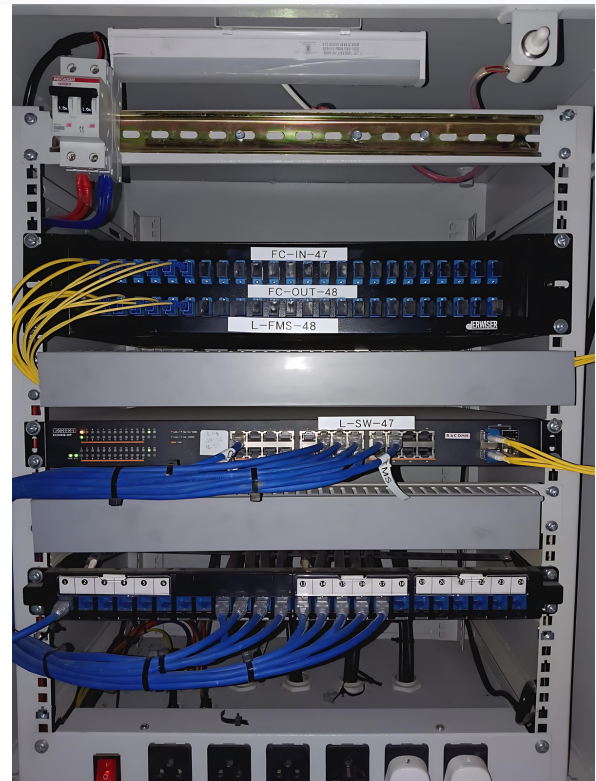

INSTRUMENTATION SOLUTIONS

Increasing Efficiency with Expert Instrumentation Solutions:

With New Pooja Instruments' superior instrumentation solutions, you may enter a world of precision and efficiency. Our skilled team of engineers and professionals is committed to providing top-tier measurement and control services in a variety of industries. Our bespoke solutions easily fit into the unique requirements of your sector, with an emphasis on accuracy and performance. We unleash new levels of precision by leveraging the power of sophisticated technology and data-driven insights, assuring optimal results for your operations. Our dedication to excellence is apparent in our comprehensive calibration procedures and stringent quality controls. Join us in embracing precision as the driving force behind your success. Today, experience the revolutionary power of expert instrumentation solutions.

AUTOMATION SERVICES

In our cutting-edge automation services, creativity meets efficiency. Our expert team specializes in creating disruptive solutions that boost productivity, streamline procedures, and improve overall performance. We understand today's evolving industry demands, and our personalized automation services are geared to meet these problems head on. We open up new possibilities for your operations by leveraging cutting-edge technology and industry expertise. Our solutions are precisely created to generate concrete results, whether it's process optimization, workflow enhancement, or resource utilization. Join us in making automation your driving force for success. Experience New Pooja Instruments' automation solutions' seamless marriage of technology and expertise.

Our slogan is "Customer Devon Bhava". We always value our clients we put their expectations, values and hopes at the priority. We always try to be worthy of their trust. Our team values their ideas and suggestions. Every customer is to be heartedly. We have a special interaction for our customer. Always try to be punctual, regular and time bond.

ELECTRICAL SOLUTIONS

Your Reliable Partner in Electrical Excellence:

With New Pooja Instruments, you may enter a world of seamless power solutions. Our experienced team of specialists specialises in providing comprehensive electrical solutions adapted to your specific requirements. Our services range from accurate installations to efficient maintenance, assuring safe and dependable electrical systems. We blend cutting-edge technology with industry best practises to deliver top-tier results, all while remaining committed to quality. Our solutions redefine performance standards by taking a rigorous approach to design, implementation, and quality assurance. New Pooja Instruments' trusted expertise in electrical solutions will illuminate your path to success.

SAFETY PROCEDURES & SOLUTIONS

Commitment of New Pooja Instruments to Safety as a Principle

At New Pooja Instruments, safety is more than just a need; it is the foundation of our operations. We reinvent safety paradigms by adhering to the most stringent industry requirements and regulatory standards. Your safety is more than a concern to us; it is our top priority. Our dedication is strongly represented in a range of precise safety procedures; every part of our approach is aimed towards protecting your well-being, from cutting-edge safety measures to proactive hazard identification and risk assessment procedures. We don't only fulfill industry requirements; we create a new standard for safety practices. Explore a world where safety thrives at every level by partnering with New Pooja Instruments.

SAFETY PROCEDURE FOLLOWED AT NEW POOJA INSTRUMENTS:

Personal Protective Equipment (PPE) Kits: "Nurturing the well-being of our workforce, we prioritise their safety by mandating the use of Personal Protective Equipment (PPE) kits." These precisely designed kits act as a strong shield, protecting our personnel from potential threats. Our dedication to their safety is unshakable, and these PPE kits are a reflection of that commitment. We empower our staff to successfully handle their tasks with each gear, knowing that their safety is our first priority. Join us in prioritising safety so that every individual on their journey with us is equipped, protected, and cherished."• Thorough Hazard Identification and Risk Assessment: "A systematic procedure encompassing exhaustive hazard identification and risk assessment is at the heart of our approach - the cornerstone of our strategy."

•Ongoing Safety Training: "Empowering our workforce is an ongoing effort, as evidenced by our comprehensive safety training initiatives." Every individual is subjected to rigorous training, which develops a deep reservoir of information and abilities necessary for managing potential threats. This continual commitment to their growth creates a staff that is not only proficient but also concerned with safety. We develop a culture of preparedness and expertise with each training, confirming our commitment to your security. Step into a world where our employees are given the tools they need to prosper in the face of adversity, providing a path that is both productive and secure."

- Unyielding Emergency Preparedness: "We are consistent in our commitment to preparedness, and we have robust emergency response strategies and protocols in place to ensure quick and efficient action should a situation arise." Our unshakable commitment to your safety pushes us to methodically create and implement plans that will protect all parties. Rest assured that in the event of an unforeseen catastrophe, our preemptive efforts will minimise the effect and streamline resolution. Your trust is our cornerstone, and our comprehensive preparedness demonstrates our commitment to protecting you. With us, you're more than just a companion; you're a part of a safe and well-planned adventure."
- Strict Safety Inspections: At the heart of our devotion is a firm commitment to safety. We conduct comprehensive inspections at every stage of your project to demonstrate our everlasting commitment. These comprehensive examinations ensure the utmost adherence to safety procedures, demonstrating our unwavering commitment to your safety. Your trust is our motivator, and we take every precaution to provide you with not just great outcomes, but also piece of mind. Explore our endeavours with the knowledge that your safety is our top priority, and have a journey that matches our unwavering standards.

- **Accurate Permit-to-Work System:** "Embracing precision, our Permit-to-Work system demonstrates our dedication to safety." This permission system guarantees that critical tasks are only assigned to authorised employees, adding to the layers of security in place. By following this careful procedure, we demonstrate our commitment to your safety and well-being. Every work is tackled with a sense of urgency since only individuals with the appropriate competence are assigned to them. Join us in an environment where precision and security meet, ensuring not just results but also the peace of mind that comes from precise planning.
- **Cultivating a Safety-Centric Culture:** "Nurturing a culture of safety is central to our identity." The principle of safety is strongly instilled within our organisation, making every team member a passionate custodian of compliance. It is more than just a policy; it is a way of life. Each person takes personal responsibility, producing an environment in which safety is more than just a protocol, but a shared commitment. You're not only joining a team when you join us; you're becoming a member of a safety-conscious community. "Explore the power of collective responsibility, where our safety-centric culture drives us to protect not only projects, but also the well-being of all involved."
- **Unwavering Regulation Adherence:** "With unwavering dedication, we adhere to industry regulations, demonstrating our persistent commitment to the pinnacle of safety standards." Each project exemplifies our unwavering commitment to operating within specified parameters. It's not just about complying with regulations; it's about setting a standard for safety excellence. Our steadfast compliance indicates not only our professionalism, but also our genuine concern for your well-being. Join us on a journey where regulatory compliance is more than just a practise - it's a declaration of our commitment to uphold the highest safety standards in all we do."

"We go beyond being mere service providers to become your dedicated safety partners." Every project at New Pooja Instruments is cautiously planned and executed with an unbending dedication to safety. Our number one focus is your well-being. Immerse yourself in a world of enhanced safety in all aspects of our Electrical, Instrumentation, and Automation systems. We are more than just a service; we are your assurance of security. Every project at New Pooja Instruments symbolizes our unwavering commitment to safety, ensuring your piece of mind. Elevate your experience by incorporating safety into all aspects of our Electrical, Instrumentation, and Automation systems.

CONSULTANCY SERVICES

New Pooja Instruments is a beacon of excellence in the field of precision engineering. Our consulting services go beyond conventional paradigms, providing a tailored strategy that perfectly meshes with the changing needs of our prestigious clientele. We are positioned as your strategic partners in guaranteeing the success of your projects, with a commitment to excellence and a constant pursuit of innovation. New Pooja Instruments emerges as a steadfast partner in the complicated landscape of engineering projects, providing advisory services that are synonymous with precision, innovation, and success. Our rigorous approach, strategic insight, safety-centric protocols, constant advancement, and punctual precision all work together to provide an unrivalled consultancy experience. Collaborate with us to see how industry-leading skills and steadfast devotion are seamlessly integrated, propelling your initiatives to new heights of success. Your idea is not only realized, but also elevated to unprecedented levels of brilliance at New Pooja Instruments.

What Sets Us Apart:

- **Customized Innovation for Project Success:** At New Pooja Instruments, we recognize that each project is unique, with its own set of problems and opportunities. Our consulting services are based on the idea of personalized innovation. We specialize in developing custom solutions that answer the unique problems of your projects. This strategy provides not only problem solving but also process optimization, resulting in project excellence.
- **Strategic Knowledge for Sound Decision Making:** The success of any endeavor is dependent on making educated decisions. Because of our trained engineers and supervisors, our advisory services provide a wealth of strategic insight. With a deep awareness of industry difficulties, our team offers vital insights to help you negotiate the complexities inherent in your endeavors. This strategic advice aims to optimize resource allocation, improve efficiency, and ultimately contribute to the overall success of your projects.
- **Protocols for Ensuring Safety and Well-Being:** We understand the critical relevance of safety in every project environment. New Pooja Instruments prioritizes the well-being of your staff. Our consulting services include stringent safety training programs, resulting in a safe working environment that meets or surpasses industry standards. We not only reduce risks by establishing a safety culture, but we also increase general productivity and morale in the workplace.
- **Continuous Improvement for Future-Proof Solutions:** Staying ahead in an era of rapid technological innovation is not an option, but a necessity. New Pooja Instruments is dedicated to ongoing development. Our consulting services incorporate cutting-edge technologies and industry best practices, ensuring that your projects are not only current but also future-proof. We empower your projects to adapt and prosper in the ever-changing landscape of engineering excellence by embracing innovation as a key value.
- **Punctual accuracy with a 100% on-time workforce:** Time is of the essence in project execution, and New Pooja Instruments is well aware of this. Our consulting services are backed by an unrelenting dedication to punctuality. The 100% on-time work force commitment ensures that your projects move forward smoothly and within the specified timescales. This accuracy not only displays our dedication, but also gives you peace of mind that your projects are in the hands of a dependable and efficient partner.
- **Client-Centered Strategy:** Our consulting services are based on a customer-centric mindset expressed in our belief, "Customer Devon Bhava." We prioritize our clients, valuing their expectations, principles, and objectives. Every engagement with our clients is marked by a real commitment to understanding their needs and exceeding their expectations. We see each client engagement as an opportunity to establish long-term partnerships based on trust and mutual success, not just transaction.

WHY US

AN ISO CERTIFIED 9001 -2015

Unrivalled Knowledge and Cutting-Edge Technology:

Our staff has an extensive amount of experience, with highly qualified engineers, supervisors, and technicians who are up to date on the newest instrumentation and automation innovations. We take pleasure in being ahead of the curve by using cutting-edge technology and scientific equipment to achieve precise and successful results.

Always put safety first:

At New Pooja Instruments, safety is our top priority. We feel that a safe work environment is essential for peak performance. Our new employees receive specialised safety training to ensure that every project meets the highest safety standards. You may relax knowing that your project is in capable hands.

Commitment to Quality and Continuous Improvement

We are devoted to providing unrivalled quality in all aspects of our work as industry leaders. Our desire for continuous progress leads us to continually improve our staff skills and expertise, keeping them up to date on the latest advances in the area.

Punctuality and a customer-focused approach:

In today's fast-paced world, we recognize the importance of time. As a result, we guarantee timeliness and prompt project completion, ensuring a smooth experience for you. We listen to your needs, value your ideas, and strive to surpass your expectations at every step of the way.

Empowering Progress and Innovation:

Progress and innovation are linked with New Pooja Instruments. We hope to alter industries and bring about positive change by leveraging cutting-edge technology and implementing sustainable practises. Our commitment to excellence distinguishes us, making us the preferred choice for clients seeking significant solutions.

Experience the Difference with New Pooja Instruments :

New Pooja Instruments can help you with instrumentation, automation, or any other project that requires precision and dependability. Feel the difference of working with a staff that respects your trust and strives for nothing less than perfection. Join us and you'll have access to a world of endless possibilities for your projects.
